BESKRIVELSE

Renovated apartments for sale in Denia in a central location with nice roof terrace The location These apartments for sale in Denia are on the top floor of a renovated building. We find the La Siesta development on a central spot in Denia. Close to 3 well-known supermarkets (walking distance). The lovely old town of Denia where we find the old castle is 20 minutes by feet. Denia has a few beaches; if you want to go the nearest it will take you 5 min by car. The apartment building had 3 floors. Apart from apartments there are also good prized individual villas available in this development in Denia. There are various pools and a lovely Mediterranean community garden. The apartments These apartments for sale in Denia are on the top floor. Each apartment consists of a good sized living room, kitchen, 2 bedrooms, bathroom and laundry room. All apartments have a lovely roof terrace. Features Double glazing, energy certificate, prepared for glass fibre and hot water supply via boiler with solar panel, parking place. The first phase of these apartments for sale in Denia is nearly ready (= status February 2023). We feel that these houses will sell quickly. So, if you like what you saw, do not hesitate to contact us for more info or a viewing.
