BESKRIVELSE

This apartment is the show flat and the last apartment available in Novamar Suites 2. This 3-bedroom apartment is for sale with all the options included. Sound system, special lighting system and much more. The apartment is equipped with a home automation system controllable from the main console in the living room or through any internet device anywhere in the world. You can, for example, start under floor heating the apartment from your home town so it is all nice and warm when you arrive. Building specifications and quality of materials are among the best. The apartment consists of an entrance hall which gives access to the open plan living/dining area with open plan kitchen, utility room, 2 double bedrooms and a family bathroom and a master suite with en-suite bathroom. From all rooms there are incredible views over the sea and access to the large private terrace of 70m2. The property will be sold unfurnished. Novamar Suites 2 is a grand Luxury residential complex in Cumbre del Sol with astonishing sea views. It consists in two blocks of 9 apartments each. Each block has its own wellness area of over 400 m2 with an indoor pool, spa, Jacuzzi and sauna with the best views over the Mediterranean Sea and coastal area. This complex has a large private

swimming pool, private gardens and social areas where you can relax.
