BESKRIVELSE

This beautiful village house is on a plot with indoor patio and terrace located in Benirrama, Vall de Gallinera, Alicante. The House is located in a quiet street in the town. The House has been restored with high qualities, with a very good style, that would be a mix between the classic style of House and some style "rustic" that is very much in this area. The lower floor has an old carved wooden door and precedes the lobby entrance. On this floor there is a bedroom and the bathroom, a living room, dining room, kitchen, and access to the patio with views to the mountains. The staircase gives access to the first floor. In the House upstairs consists of 2 spacious rooms, one of them overlooking the interior courtyard, and great toiletries. The House is in perfect condition to live. It also includes all the furniture that are currently on the housing, as well as a small room used as storage, and which is located in the courtyard. The House is located in a very quiet street without traffic cars, just steps away from the plaza. It is a great opportunity to buy a cheap home in a Mediterranean village.
