BESKRIVELSE

Village House in a good area and very close to central Pego, Alicante. 140 sqm village house distributed in 3 floors, the ground floor is distributed in a hall entrance open to the living dining room, independent kitchen, bathroom, master bedroom and patio. First floor distributed in a bedroom with large openplan loft. Another staircase leads to another loft with fireplace and access to the solarium terrace with views to the mountains. Just 15 minutes from Ondara, with connection to the AlicanteValencia motorway and the largest mall in the area, and only 20 minutes from Denia, where you can find any tourist service, as well as some wonderful sandy beaches.
