BESKRIVELSE

Fantastic urbanized plot for sale in Javea. This plot has 1,500 m2 and is totally flat. It is well connected and has the electricity, water and sewage network nearby and is paved. It has two centenary trees (Garrofers). And from it you can enjoy beautiful open views of the Montgó. It is located in one of the best areas. 2.5 km from the town center and 7 kms from the Arenal beach and 3 km from the Golf Club. Close to all services and amenities. Take this opportunity!
