BESKRIVELSE

nfinity View is a unique residential complex on the Costa Blanca. It's unique for its unparalleled sea views and its incredible design. Here you can enjoy a relaxing dip in any of the complex's four swimming pools while communing with the Mediterranean. And you can do this all through the year, as one of the pools and two whirlpools are heated! Sports lovers can enjoy a fully equipped gym, two open-air sports areas with biomechanical devices, a tennis court, a paddle tennis court and another multisports area. And the kids will have lots of fun in the children's play area, both in the water and on dry land! This location is simply outstanding, with over 8km of fine sandy beaches to roam and a broad seafront promenade right outside the estate
