This town house consists of its ground floor a large living room, a complete and very comfortable kitchen, storage room, a guest bathroom, a bedroom currently used as a study and a wonderful patio with barbecue and chill out area. By internal stairs we access to the mezzanine where is located the master bedroom with dressing room and direct access to a large terrace solarium with views of the interior garden. The top floor consists of 3 bedrooms, another room in the attic and a bathroom. It is reformed tastefully providing all services normally associated with a more modern property without losing the elegance of a typical village house. The town of Pego is a typical Spanish village with all its needs such as bars, restaurants, pharmacy, school, supermarket, sports areas, etc. The commercial center of the area is only 12 minutes by car, just like the

highway to Valencia (1 h) and Alicante (1 h).
