BESKRIVELSE

Incredible town house with garage in the center of the town of Pego, Alicante, Costa Blanca and good qualities. House of three floors where the ground floor is a large garage with storage room, bath courtesy and interior courtyard. An elegant staircase and railings of wood access to the first floor where he is distributed with a large dining room overlooking the street, American kitchen with Gallery, a bedroom and a bathroom. The second plant is distributed by 3 large bedrooms and a bathroom. The top floor is a large terrace with views and a laundry room. Great opportunity to live in the Centre of the village next to all services.
