BESKRIVELSE

This brand-new villa in Polop is cheaper than second hand! It has open and covered terraces own garden and private swimming pool. This luxury villa has two floors and a roof top terrace This terrace is a real solarium and not only a roof! The villa has 3 bedrooms and 3 bathrooms divided over the underbuild, the ground floor and the first floor (see plans included) a dream open plan kitchen and modern dining room. The underbuild leaves opportunity to create more space. The key word of this villa is LIGHT. Due to the wall wide windows an abundance of light is coming in. Close to La Nucia, Alfaz del pi and Altea Visit our showroom villa and convince yourself!
