BESKRIVELSE

Great bungalow with panoramic views located in Polop de la Marina, this is located in a magnificent recently built urbanization. In it we can find beautiful communal areas, with large gardens, paddle tennis court, children's area and large swimming pool. The house has two floors, the ground floor has a living room - dining room with fireplace with direct access to a large private garden, kitchen and a toilet. On the upper floor we find two bedrooms and two bathrooms, one of them en suite. The property has been recently renovated, has parquet floors, air conditioning by hot / cold ducts and heating by radiators. It is sold furnished. It also has a parking space on the surface.
