BESKRIVELSE

Villa Luna is based on the space-creating concept Living IN&OUT, distributed on different floors, with open-plan and comfortable spaces, where the interior/exterior cross over the limits and blur the boundaries. A project with light colours, wood and the presence of natural light. The access to the living area is on the top floor, with a hall, that takes the part of main distributor, and three bedrooms, two of which share a bathroom and spacious wardrobes, and one en-suite bedroom, all of them with access to a terrace area. On the lower floor, we will find the fourth bedroom of this villa, with an en-suite bathroom, a walk-in-closet and access to a terrace. The spectacular day area will not disappoint you. Made up of a kitchen with a central island where the cooking area sits and a breakfast bar, a spacious dining room and a living room. All of these connected to the exterior, with a big porch to be able to enjoy the fresh air. A stylish terrace encourages even more the idea of 'living outside' with several leisure areas next to the endless pool, the Jacuzzi and a barbecue area with an exterior dining area and a courtesy bathroom to enjoy the wonderful days of sun of which the Costa Blanca is known for. Villa Luna has more surprises, with a spacious and bright

basement with a private terrace and porch. An open-plan area where you could make a leisure room, a gymnasium, a guest apartment, the options are endless. In this exclusive villa located on Cumbre del Sol it is possible to lose yourself and relax surrounded by incredible sea views.
