BESKRIVELSE

This plot is located 100 away from the beautiful beach of Portixol with the Isla Portixol. It consists of 2 separate parts: 1.148 sqm and 1.198 sqm. For each of this plots a building permit for the construction of 300 sqm house area is granted and documented. It's possible to unite both plots to a 2.346 sqm building plot, to develop a property of approx. a 600 sqm. Seaview is given. Are you interested in this property? It is also possible to buy the plots individually.
